Highlights

Cord winder for easy storage

The cord can be wrapped around the base, so that the kettle is easy to place in your kitchen.

Four-way safety system

Four-way safety system against short circuit and boil-dry, with auto switch off when ready or when lifted from the base.

Water level indicator

Easy to read water level indicator for left and right handed use.

Bell rings when water is ready

Bell sounds when your water has reached boiling point.

Cordless 360° pirouette base

Cordless 360° pirouette base for easy lifting and placing.

Double Action anti-calc filter

The Double Action filter works two ways: a scale collector attracts scale from the water, and the regular filter prevents the remaining particles from being poured into your drink.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.

Hinged lid

Hinged lid with large opening for easy filling and cleaning, also avoiding steam contact.

Pilot light

Pilot light around the temperatur control knob illuminates, clearly indicating when the kettle is switched on.
